

HSC Technology Group receives additional order under major contract

14 February 2023

HIGHLIGHTS

- **Additional purchase order received for 5,000 units**
- **Revenue forecast from the order in excess of \$2.8 million**
- **Contract scope includes the full range of HSC solutions powered by HSC's Talius Smart Care Platform**

HSC Technology Group Ltd (HSC or the Company) (ASX: HSC) is pleased to announce it has received a further order under the contract to supply next generation assistive technology solutions to Lendlease's Retirement Living business.

HSC received the first 5,000 unit purchase order from Lendlease in Q4 2022 (see announcement dated 6 October 2022), and has been rolling out delivery to a number of Lendlease sites as part of an upgrade and refurbishment process to the emergency call systems implemented across Lendlease's retirement village portfolio, consisting of 75 retirement villages and over 16,000 residences.

HSC has received a further order from Lendlease for the next 5,000 units for the supply of a customised assistive technology solution providing HSC's Care@home Hub and extra peripherals.

Revenue for the additional purchase order of 5,000 units and peripherals is forecast to be in excess of \$2.8 million. Delivery of the order is anticipated to commence in Q2 2023 and be rolled out across the year.

All services will be delivered via HSC's Talius Smart Care Platform as a subscription service.

This announcement has been authorised by the Board of Directors of HSC Technology Group Ltd.

About HSC Technology Group Ltd. (ASX: HSC)

HSC provides a suite of technology enabled care solutions to the aged and disability sectors across multiple verticals, including retirement living, residential aged care, home, and community settings to improve the quality of life, later in life.

HSC's Software as a Service (SaaS) data analytics platform Talius Smart Care combines smart sensors with AI machine learning (powered by CSIRO) that delivers automated actions. Talius links awareness, analysis, and action through one platform allowing the care model to move from spot check care to sense-respond care. Nursing staff can switch their focus from data collection to building a human connection. Most importantly, residents benefit from a new era of autonomy and dignity.

HSC helps protect and connect our elderly and people with disabilities with a scalable healthcare technology platform integrated with leading third-party providers to ensure end-to-end solutions for Connected Health.
